Good morning, Trish,

Thank you for your message of June 5, inviting me to meet with the Charter Commission and discuss previous Charter efforts and the current review. With due respect to chairman DeLeonardis, I regret that my current commitments and schedule do not allow time to prepare for and participate in a meeting in the near future. I am sure the Commission will be able to discern my views quite adequately from the record of the 2016-17 Commission. My views on the current effort are not formed at this time. If circumstances change and time permits, I will let you know.

Gordon Boyd

Dear Vince and Mike,

Clearly it would be a waste of my time given what your boss is saying about me on line and to my employer.
